TransAqua announces a delay to the 2020 compost toilet opening

RIVERVIEW, N.B. – TransAqua, the Greater Moncton Wastewater Commission, announced today that it is delaying the opening of the compost toilets at various locations along the Petitcodiac River within the communities of Moncton, Dieppe and Riverview.

The public is advised that TransAqua's compost toilets will remain closed until the New Brunswick State of Emergency is lifted and will reopen as part of a coordinated opening of public washroom with the Cities of Moncton and Dieppe and the Town of Riverview.

Please sign up to receive updates and information from TransAqua at www.transaqua.ca. Residents may also contact TransAqua at 387-7977.

TransAqua, the Greater Moncton Wastewater Commission, (www.transaqua.ca) was established in 1983 to support the wastewater collection and treatment needs of the Dieppe, Moncton and Riverview tri-community. Since then, it has developed a 34.2 kilometre collection network and a treatment facility to best deliver on this mandate. It has also become a leader in the reuse of biosolids through the generation of high quality compost as opposed to disposal in a landfill site.
