TransAqua announces a limited 2020 compost toilet opening

RIVERVIEW, N.B. – TransAqua, the Greater Moncton Wastewater Commission, announced today that two of its eight compost toilets located at the Skate Park in Moncton and at the playground near the Gunningsville Bridge in Riverview will be opening on July 6, 2020.

These composting toilets have been equipped with disinfectant and will be cleaned twice daily. Any vandalism to these facilities or removal of disinfectant could result in closure of these ratepayer funded public washrooms.

TransAqua, the Greater Moncton Wastewater Commission, (www.transaqua.ca) was established in 1983 to support the wastewater collection and treatment needs of the Dieppe, Moncton and Riverview tri-community. Since then, it has developed a 34.2 kilometre collection network and a treatment facility to best deliver on this mandate. It has also become a leader in the reuse of biosolids through the generation of high quality compost as opposed to disposal in a landfill site.
